Market Sale
Kiowa, Colorado
Saturday-August 2, 2008
1:00 PM @AG Building

Elbert County Fairgrounds

Visit us at www.elbertcountyvair.com

--Be a Buyer--

The high bidder may pay full price and elect to have the animal processed and packaged for home use.

The bidder may chose a "buy back" plan where only the difference between market price (to be announced) and the bid price is paid by the bidder. The bidder would not have to keep the animal; a packer would buy it for market price.

The following example illustrates this scenario for a steer weighing 1200 pounds sold for \$1.25 per pound.

Your bid price is \$1.25/lb

$\$1.25 \times 1200 = 1500.00$ (goes to junior)

Market price \$.70/lb

$\$.07 \times 1200 = 840.00$ (paid by packer)

Your net payment is \$660.00

BUYERS RECEIVE

*the amount of bid price in excess of market price may be deductible for business and/or individuals.

*Buyers will receive a gift and a picture of the 4-her and animal following the sale to display in their home or business signifying their support of the market sale.

*Your name in print...

It's a great time

A VIP table is provided at the AG building. It is stocked with snacks and cool drinks provided by Elbert county 4-herers for buyers and their guests.

Making the best better

The young people that you will see participating in the Elbert county junior market sale have investested their time, talents, and substantial money in the care and feeding of this premium stock. In completing their projects, they have worked hard to

Make the best better!

By bidding on animals, you are encouraging these leaders of tomorrow that old-fashioned hard work and pride of accomplishment are values that you recognize as being important.

Elbert county fair endorses and supports the USDA wholesome meat act and insists that exhibitors are in compliance. Exhibitors of all market animal entries must certify their compliance with manufacturer's pre-market withdrawal periods specified for all medications, drugs, pesticides, or feed additives administered. The use of any non-approved chemicals is strictly prohibited. Certification will be required upon weigh-in at show.

Remember, this is a chance to treat yourself to superb meat and also give a hard working youth a real reward for months of effort.
